**MEMORANDUM FOR: Project Director of Administration**

**SUBJECT : Request for Agency Chart**

1. In line with our prior discussion concerning an Agency organizational chart showing all units down to division level, it is desired that this office be furnished such a chart. We intend to use this for graphic demonstration of persons within the Agency who are knowledgeable of Project AQUATONE.

2. Subject chart needs to be so constructed that we can insert the names of "knowledgeable" persons within a square that coincides to the staff or division to which they are assigned.

3. The illustrator can probably best decide the size needed. The only restriction is that the chart will have to be so constructed that it can either be rolled or folded and placed in a standard Remington-Rand safe.
